Why Hire a Consultant?

Each wedding supplier we hire for your wedding has been employed with The Bridal Suite for many years. All of our services (florists, caterers, musicians, pastry chef, restaurants, livery stable, etc.) are the "cream of the crop", reliable, trustworthy suppliers, all of whom provide a "first class service". They are the most reputable of services the island has to offer with years of experience. When the most special and important day of a couple's life is their wedding, we leave absolutely nothing to chance.

We are skillful negotiators and have access to the best suppliers you request. Some couples decide to arrange their own services from afar and not use a consultant, but when you are not familiar with the island or the quality of service provided from various suppliers, your wedding day is far too important to leave room for any unforeseen situations, which may occur. We, as your consultant, have the ability to anticipate and sidestep problems. As we are problem solvers by nature and provide sound advice, we act as your representative in all aspects of your wedding. We wear many different hats and will be your confidant, sister, mother, bridesmaid and most importantly, your new Bermuda friend. We will always advise of a back up contingency plan in case of inclement weather, if marrying outdoors. Sudden last minute arrangements may have to be made in an instant, if the weather happens to become unexpectedly inclement. These are all crucial decisions that rest on our shoulders to enable you to have a smooth, stress free wedding. We are not flustered by mishaps and will keep you blissfully unaware of minor glitches.

We not only orchestrate your ceremony, but are happy to reserve excursions, make restaurant and entertainment reservations and much more. Trust our many years of

experience as they will be an invaluable asset to your wedding. **Happy Planning!**

Simply call *The Bridal Suite* and leave the work and worry to us. We look forward to making your day a very special event!
